

[Just a click away](#)

. Do you need homework help? Do you need to find research material right now? Do you need to pin down a fact? Let the Library's Electronic Resources for Children help you and your child – 24/7, 365 days a year!

It's simple: Just click on the purple [Homework Help](#) button on top of this page. This will take you to a page full of helpful information and useful links.

You can click on the ***Children's Electronic Resources*** link at the top of the page for a listing of digital books and information sources. You can scroll down the page for a chart of helpful ***Homework Links*** broken down by subject.

Grab a [bookmark](#) at your library to get a directory of topic keywords/digital resources to make your search even easier. Then, choose a resource from the online listing and click the link to search either at a library computer or from your home computer. Have your library card handy if you're working from home.
