

## Welcome to KitKeeper

*Our online book club catalog!*

Our book club collection consists of multiple copies of titles that are stored in bags (kits) for use to library-sponsored book groups. There are 10 copies of a title in a kit. Book club groups may use the online **KitKeeper** reservation system to browse through a list of available titles and reserve their book kits ahead of time.

From our webpage, go to **Book Discussion Kits** and click **Book Your Kit! (under Services and Collections)**.

1. There are three ways for searching and viewing titles in **KitKeeper**.

**MCL Collection:** Use the drop-down menu and click **GO** to view our complete list.

**Title:** Use the drop-down menu and click **GO** if you know which titles to select from the list. You can switch between multiple kits of the same title when checking for availability.

**Available Date:** Use the drop-down menu to select and click **GO** to view a list of available kits by month. When searching for your titles, make sure you have enough available kits for your group.

2. Select your pick up date in the calendar to **reserve** your kit. **Your pick up date should be 5 weeks before your group's date of book discussion.**
