The Time Traveler by H.G. Wells, published in 1895.

**Author: H.G. Wells**

March 13th, 10:30 am - 12 pm

The Time Traveler is a classic science fiction novel about a man who builds a time machine and travels back in time. The novel is a commentary on the social and political issues of the time, and is considered a precursor to the modern science fiction genre. The Time Traveler is a must-read for any fan of science fiction or classic literature.
