

Centennial Celebration

Bookmark Design Challenge

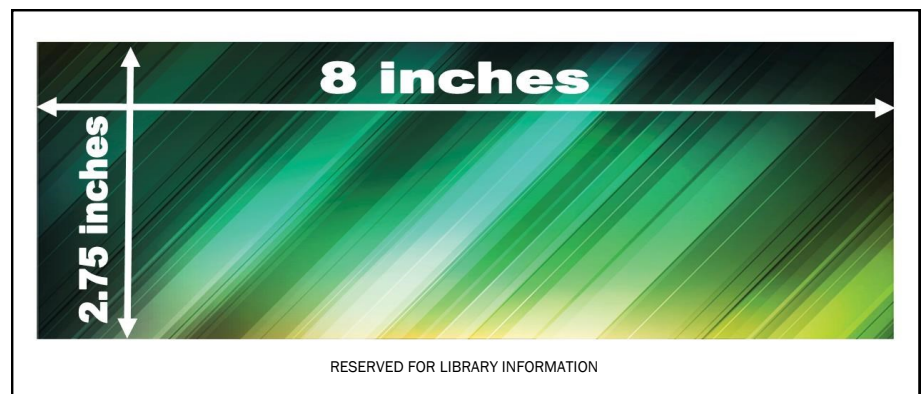

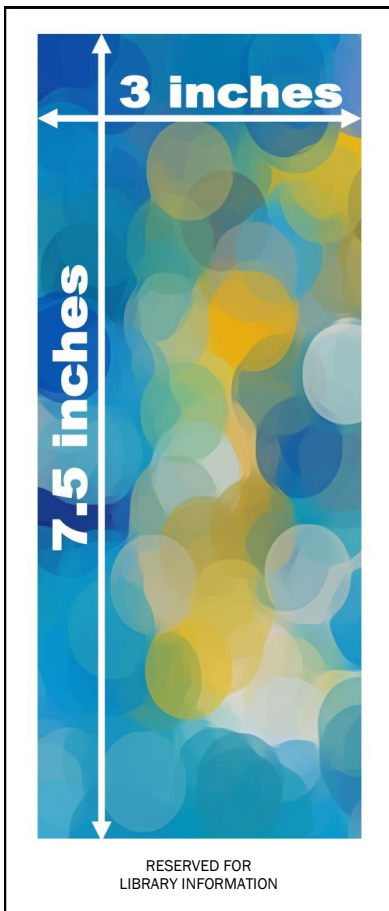

Calling all artists! To help commemorate the Monmouth County Library's 100th Birthday in September, we are looking for artists of all ages to help design our next bookmarks. Show us what you love about the library with your awesome artwork! Birthday-themed bookmarks are encouraged, let your imagination soar! Please submit your designs as a JPEG file to MonCoLibrary2022@gmail.com with the subject line "Bookmark Challenge" for the opportunity to be featured on our next printed bookmarks!*

Artwork categories include Grades K-4, Grades 5-8, Grades 9-12, and Adult. If needed, scanners and computers are available at most library branches. Remember to bring a USB drive to store your artwork.

Entries will be accepted June 1 through July 15.
Check your local library branch for the printed bookmarks in September!

Entry Guidelines

- Limit one entry per person or group
- Entries may not include licensed characters or any other copyrighted art or logos
- Email submissions should include artist's first name, home library branch, and grade level
- Design could be vertical or horizontal and must fit final size as example shown

***Upon submission, all entries become property of Monmouth County Library and may be reproduced for distribution and shared on the library's website and social media.**
All decisions made by Library staff are final.
